SCHOOL REPORT.

In making the annual report of our schools we are pleased to say our schools the past year have been a success. Teachers have been faithful in their labors and have brought their schools to a successful and satisfactory termination. We have had school in only five divisions, it being cheaper to send the scholars at Manselville to Hillsboro. We hope that in the future the parents will endeavor to have their children at school every day and thus increase the per cent of attendance and thereby obtain more school money from the state. We kindly remember all the favors received in the discharge of our duties.

Respectfully submitted,

DENNIS R. CHASE,

EDITH A. OTIS,

GEORGE F. ELLSWORTH,

School Board of Deering.
